Dress Standards for Boys

It is important that our students help create an environment which promotes study. Styles which draw attention to oneself do not promote such an environment. Boys should seek to dress in a manner which follows more conservative styles.

These guidelines listed below are intended to assist the student in determining appropriate dress for different occasions. The school administration may deem specific items of clothing inappropriate even if it is not restricted below.

Classroom Dress (enforced while a student is on campus between the hours of 7:30am-3:30am)

1. Dress style jeans (**excluding** blue jeans), dress style slacks, or khaki-colored knee-length shorts, with a belt if there are designed so, are to be worn to classes Tuesday through Friday.
2. Shorts with 6" inseam which are not cutoffs are permitted. Athletic shorts with inseams shorter than 6" may be worn while participating in practice or in a game but not permitted in the school buildings.
3. T-shirts may be worn, but not undershirts or tank tops.
4. Boys must wear a shirt while on campus or the athletic field.
5. Basketball-type shoes with soft and non-marking soles must be worn in the gym.
6. Students should not wear clothing which advertises tobacco, alcoholic beverages, the drug culture, lifestyles or sentiments associated with social or spiritual rebellion, the occult, non-Christian music groups, or slogans with ungodly or double meanings.
