

2009-2010 Resident Student Expectations Commitment Form

Parental Commitment

I have read the “Resident Student Expectations” that are based on the Ben Lippen desired outcome for all Ben Lippen Graduates. I understand that my child is at their own stage in their development. It is my desire to assist the staff at Ben Lippen School by supporting my student towards the stated goals, taking into consideration his or her individual ability and progress. I am in agreement with these goals and will do all that is possible to encourage my child to achieve their full potential.

I understand that it is my responsibility to help nurture the students under my care. I will do my best to help this student achieve their fullest potential using the “Resident Student Expectations” as a tool and never as a weapon to help develop this student. I promise to communicate with the parents on a regular basis regarding their child’s progress and will send out a bi-annual performance appraisal (December and May) so that the parents will have a greater understanding of their child’s strengths and weaknesses for the purpose of helping them set goals with their child.
